REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest the combination that would teach a method of manufacturing a frangible slug for firing from an industrial ballistic tool, the method comprising: providing a mixture of powders consisting essentially of up to 35% ferrotungsten in particulate form, up to 3% lubricant, the balance iron in particulate form and inevitable impurities; compacting the mixture to form a compact; sintering the compact to form a frangible slug; wherein the content of ferrotungsten increases the density of the frangible slug to provide a slug with a mass that is effective to impart kinetic energy to remove obstructions from the inside of kilns or furnaces.
2. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 571-272-6872.
